

# Ready, Set FitPlan Go

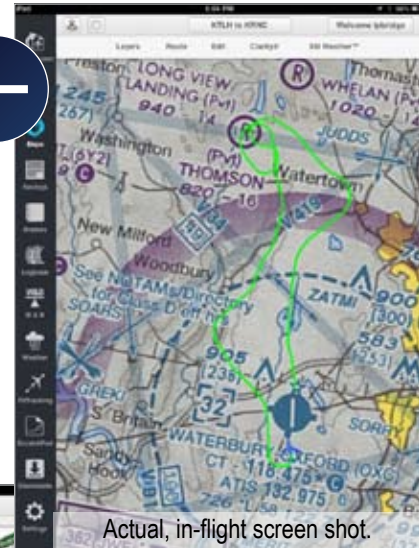

An indispensable companion to the FitPlan.com website, our free FitPlan Go app for iPads gives you access to:

- XM Weather  
*(subscription is required)*
- ADS-B, Clarity only  
*(unit not included)*
- Geo-referenced taxi charts
- Geo-referenced approach charts *(currently available for California and the eastern two-thirds of the U.S.).*
- SUAs
- Breadcrumbs
- Expanded FBO and airport information, including fuel prices
- Multiple binders
- Annotations
- TAC charts
- Helicopter charts
- Downloadable world map
