## SURVEY RESULTS

The Pilots have spoken! We are thrilled to announce the winners of the 2011 Pilots' Choice Awards™. Over 45% more pilots voted this year than in 2010. With over 7,480 votes cast, the pilots have picked their favorites in the following categories: Top U.S. FBOs, Top U.S. FBOs by region, Top FBO Chains, Top Canadian FBOs, Top ATC Centers and more.

We've added two new awards this year, Star FBO and ACE FBO. The Star FBO category was created by using airport arrival data to generate a ranking that takes into account the traffic at an airport and the amount of competition on the field. The ACE FBO award recognizes the 3 FBOs who received the most votes at airports with less than 5,200 arrivals per year. Congratulations to all the winners!
