**PILOTS'  
CHOICE  
AWARDS™**

# 2018

This is the ninth year for the Pilots' Choice survey and, as FltPlan's numbers have grown, so has participation in the survey. FltPlan users cast votes across eight categories: U.S. FBO, FBO Chain, Canadian FBO, Mexican FBO, Caribbean FBO, ATC Tower, ATC Center, and U.S. Customs.

We've included our Star and Ace awards again this year. Star award winners are determined using airport arrival data, votes received, and on-field competition. The Ace award recognizes the top 5 FBOs at airports with less than 4,000 arrivals per year.

Thank you to everyone who voted and congratulations to all of our winners. Our pilots could not do their jobs without your support and dedication!

*McKinney Air Center* was voted the #1 U.S. FBO this year. This is the fifth Pilots' Choice win for the FBO at McKinney National Airport.

**P**ilots' Choice Star FBO award winners are calculated based on votes received and airport arrival data to generate a ranking that takes into account the traffic at an airport and the amount of competition on the field.

The Ace award recognizes those FBOs who received the most votes at airports with fewer than 4,000\* arrivals per year.

Congratulations to all of the winners in these categories.
